DETAILED ACTION

Claims 1-21 are pending. . 14-21 have been withdrawn and 1-13 are under examination.

The applicants have amended the claims to the elected group.

The rejection of claims 1-13 under 35 USC 112 still stands. R^A , R^B , R^C , R^D can contain several hetero groups . These hetero groups are bulky by nature , with different spatial arrangements. These also have hetero atoms which gives rise to charged and electro negative sites which can effect the orientation , activity and enablement. A theophylline differs in properties from caffeine , with a methyl being replaced by a hydrogen.

Out of the 667 examples given in the specification **not a single one** has a hetero or even a large cyclic group as R^A , R^B , R^C or R^D . Thus applicants have not provided any guidance and the art is highly unpredictable.

Thus without any guidance and with the highly unpredicatable nature of the invention the rejection still stands.

The rejection of claims 1-13 under 35 USC 103 over US 6777421 Jordan et al has been withdrawn since applicants have amended the claims to include q as 0 and also since they have clearly shown that the R_0 is different from that of the prior application.

The Double Patenting of the claims over US 6777421 has also been withdrawn since applicants have amended the claims.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
